NEW LIGHT CHURCH
BISHOP I.V. & PASTOR BRIGET HILLIARD

PRAYER GUIDE • FEBRUARY 2015 EDITION

Father, in the name, of Jesus, thank You that Your love has been perfected and completed in us. Father thank You for Your Word in I Corinthians 13 that teaches us how to love. Father in the name of Jesus we commit to walk in the God kind of love with everyone we come in contact with. We declare that we endure long and we are patient and kind, we declare we are not envious nor do we boil over with jealousy, we declare we are not boastful or vainglorious, we declare we do not display ourselves haughtily. We declare we are not conceited, arrogant and inflated with pride. We declare because Your love abides in us we are not rude, unmannerly and we do not act unbecomingly. We declare the love of God that abides in us does not insist on its own rights or its own way, for we are not self-seeking. We declare we are not touchy or fretful or resentful. We declare we take no account of the evil done to us and we pay no attention to a suffered wrong in Jesus name. We declare we do not rejoice at injustice and unrighteousness, but we rejoice when right and truth prevail. We declare we bear up under anything and everything that comes. We declare we are ready to believe the best of every person in Jesus name. We declare our hope is fadeless under all circumstances, and we endure everything without weakening in Jesus name. We declare our love never fails, never fades, never becomes obsolete or comes to an end in Jesus name. Father in the name of Jesus thank You for the Power of Love. We thank You that the love of God has been poured forth into our heart by the Holy Spirit Who has been given to us. Thank You Father for loving the world by giving Your only Son so that we would not perish but have eternal life. Thank You for loving us while we were still sinners. Father thank You that Your love has been poured forth into our hearts by the Holy Ghost. Father thank You, for being patient and kind with us. Thank You that Your love never ends and never fails. Father thank You that we are more than conquerors because of Your love to us. Thank You Father that neither death nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from Your love. Thank You because of Your steadfast love our

lips will praise You. Father thank You because of Your love we are not anxious about our life, what we will eat or what we will drink, nor about our body, what we will put on for You care for us. Father we confess according to Luke 10:27 that we love You with all our heart, and with all our soul, and with all our strength, and with all our minds. We confess we love our neighbor as ourselves in Jesus name. Amen.

Thank You Father for first loving us by giving Your only son. Because of Your love we can love others. Father in the name of Jesus thank You that perfect love cast out all fear; therefore, we are free to love and pray for our neighbor in Jesus name. Father Your Word says for us to love one another. Father we thank You that we demonstrate the love of Jesus in our Christian walk. We thank You for this powerful witness of love to show to the world. So in obedience to Your Word we declare we love our brothers and sisters. Father because we love our brothers and sisters we pray Your healing Word over them. Father, in Jesus name we speak the Word of Faith to their bodies. We demand that every internal organ perform a perfect work. Father You said whatsoever we bind or loose on earth shall be bound or loosed in Heaven, so in the Name of Jesus, we bind all satan's evil, wicked, demon, lying perverse, unclean, demonic or religious strongmen, that tries to keep our brothers and sisters bond with sickness and disease. We declare their bodies are the temple of the Holy Spirit; therefore, we speak to their body, we command you in the Name of Jesus and by the authority of God's Word to be healed and made whole in Jesus name. We declare their bodies are strong and healthy. We declare our brothers and sisters will not die but live and declare the works of God. Thank You Father, You have forgiven all their iniquities; You have healed all their diseases; You have satisfied their mouth with good things so that their youth is renewed as the eagles. Lord, we declare You have blessed their food and water and have taken sickness away from them. Therefore, we declare they will fulfill the number of their days in health. Father we thank You that they walk in the manifestation of divine healing and divine health, in the Name of Jesus. Father we thank You that You are no respecter of persons so by faith we believe they receive their healing now. We forbid the enemy from trying to steal their healing. We plead the Blood of Jesus, over them, over their spirit, mind, will, emotions, imaginations, thoughts and all subconscious areas and physical beings. Father thank You for healing our brothers and sisters in Jesus name, Amen.

Father thank You that Your love abides in us; therefore, we are patient and long-suffering, long-tempered and long-forgiveness is our new nature. We declare we continue to show ourselves kind in every situation, in Jesus name. Father because love is patient, thank You for helping us to be slow to judge others and quick to listen, thank You for helping us to be hesitant to criticize others and eager to encourage others because we remember Your endless patience with us. Father because love is kind, help our words to be gentle and our actions to be thoughtful. Father thank You for reminding us to smile and to say "Please" and "Thank You" because those little things still mean so much. Father because love does not envy or boast, and it is not proud, help us to

have a heart that is humble and sees the good in others. Father help us to celebrate and appreciate all that we have and all that we are, as well as doing the same for those around us in Jesus name. Father because love is not rude or self-seeking, thank You for helping us to speak words that are easy on the ears and on the hearts to others in Jesus name. Father in Jesus name thank You for reminding us that words hurt. Father in the name of Jesus because love is not easily angered and keeps no record of wrong, thank You for helping us to forgive others as You have forgiven us. Thank You for helping us not to hold grudges against others, thank You for helping us to release any grudge, so that we are able to reach out with loving hands in Jesus name. Father because love does not delight in evil but rejoices with the truth; help us to stand up for what is right and good. Father help us to defend the defenseless, and help the helpless, in Jesus name. Father thank You for showing us how we can make a difference in Jesus name. Father because love always protects and always trusts, help us to be a refuge for those around us. Father in Jesus name inspire our hearts to be a place of acceptance when the world is harsh in Jesus name. Father, because love always perseveres, help our hearts to continually beat with love for You and others. Holy Spirit help us live up to this standard of love in Jesus name. Father thank You for showing us what the word love really means. Amen.
