

NEW LIGHT CHURCH **PRAYER FOR INCREASE**

7:00AM Prayer Agenda
Participant Line: 800-927-9434

Father we thank You for increase in our lives. Father Your Word declares that You wish above all things that we prosper and be in health, even as our soul prospers. Father we thank You for Jesus, that, though He was rich, yet for our sakes He became poor, that we through His poverty might be rich. Father we thank You that Jesus came that we might have life, and life more abundantly so in the name of Jesus we bind the thief that comes to steal, kill, and to destroy. Father thank You that You drive out every opposition to our financial increase in Jesus name. Father You said in Your word if we be willing and obedient, we shall eat the good of the land. So Father we declare because we are willing and obedient we are eating the good of the land, in Jesus name. Father thank You that we are cheerful givers and You make all grace abound to us and we have all sufficiency in all things. Father God because we obey and serve You we spend our days in prosperity and our years in pleasure in the mighty name of Jesus. Father we thank You that because we are tithers and we cheerfully give offerings, we therefore declare the devourer is rebuked for our sake and You have opened the windows of heaven and are pouring us out a blessing that there is not room enough to receive it. Thank You, Father for wisdom, insight, opportunities, favor and ideas that will cause us to increase. Father we thank You that because we give, men are free to give unto us; good measure, pressed down, and shaken together, and running over. We thank You that You make all favor abound toward us in every area of our lives. Father thank You, that we reap bountifully because we sow bountifully. Father thank You, for, increasing our partners and members with more money than they have had in a long, long time. Thank You Father for unscheduled bonuses, checks in the mail and unscheduled increases so our members and partners have more seed to sow and save. Father we know promotions don't come from the east or the west but they come from You, who puts down one and picks up another. We declare we are being promoted to a higher level of living because of our commitment to sow into the Kingdom of God. Thank You Father for the manifestation of the seeds we have sown, in Jesus name. Father, we decree Increase, Promotion and Favor now! In Jesus name. Amen

Father thank You for being El-Shaddai the God of more than enough. Father thank You, for being our provider, because of You we declare there is no lack in this ministry, in Jesus name. Father we thank You for being our miracle worker and our victory in every situation. Father God we thank You for supernatural surplus and abundance for New Light Church. We thank You for favor and we declare You give us favor with all our creditors. In the name of Jesus those persons You have spoken to concerning giving large amounts of money to New Light Church are free to obey You right now. Thank You Father large checks are in the mail, large checks are in the offering envelopes!!! Thank You Father You can trust NLC with the hundred million dollar flow so we declare millions flow through this ministry now, in Jesus name. Thank You Father for debt freedom, debt release and debt relief. You said we could speak grace-grace to the mountain and it would be a molehill. So we speak Grace-Grace to New Light Church debt now in Jesus name. We declare all New Light Church properties that are for sale are "SO SOLD" in Jesus name.

Thank You Father the properties are favorable to qualified buyers and we believe for smooth, easy and speedy closings. Thank You Father You are El Elyon-The Most High God and You have the final Word to say about our lives, our future, our destiny and this ministry therefore we declare You have delivered New Light Church out of all our trouble and returned our reserves to supernatural surplus that only You can give. We receive double according to Isaiah 61:7 therefore we decree \$8million in reserves for NEW LIGHT CHURCH.....Resources Come!!! FAVOR Come!!! Increase Come Now!!!! IN the mighty name of Jesus... We declare it to be so!!! In the mighty name of Jesus.

Father we set ourselves in agreement with Your Word that says we should owe no man nothing but to love him we agree with Your Word we are a lender and not a borrower. Father because we meditate on Your Word day and night and observe to do according to what is written we make our way prosperous and we have good success, in Jesus name. Therefore, we expect supernatural increase, we expect supernatural favor, and supernatural debt cancellation in our lives, in Jesus name. Father we thank You that You are no respecter of person and what You have done for one in principle You must do for another. Just as You supernaturally supplied the “widow with the oil” and the “widow with the meal” daily; You give us creative ideas and witty inventions that will cause financial increase in our lives. Father, in Jesus Name, we thank You that we are anointed to prosper. Our eyes are open to see creative ways to increase financially. Our ears are open to hear the best deals and our heart is pure so that You can channel finances through us. We are on the path of perpetual increase as we enter our wealthy place. Wealth and riches are in our house. We declare that we are the righteousness of God. We have sown our seed for supernatural abundance and we live in daily expectation of increase. Money comes to us now our nature attracts money. The fear of lack has been broken and has no power over us. We hear our Father’s voice and the voice of intimidation we choose not to follow. We are free from debt. We are the lender and not the borrower. The wealth of the wicked is being transferred to us now and we commit to establish the Kingdom of God in the earth. We are ready to distribute, and we declare our lives are a distribution channel for God’s work in the earth. We thank You Father that daily You are loading us with benefits. We are on Your mind because You want to increase us more and more. Abundance is Your will for us because it pleases You when we prosper. Father we believe because we are continuing to intentionally Praise and Glorify You at all times a move of God in our lives has begun and more money is finding its way into our hands than we have had in a long, long time. We call favor, increase, abundance and prosperity to come to us NOW, in Jesus Name. Amen.
