Father, we thank You, that Your Word says we can ask for wisdom and You will freely give wisdom to us. Therefore, we ask that every member of New Light Church be filled with the knowledge of Your will in all wisdom and Spiritual understanding. Your Word gives knowledge, instruction, direction, wisdom and understanding to all who will acknowledge You. Father we acknowledge You as the source and sustainer of our lives. You promised to impart wisdom to us if we will listen to Your Word and pay attention to wise counsel. Thank You Father that the members of New Light Church are filled with the Spirit of wisdom so that we may be able to discern Your will because with You, Lord, there is both strength and wisdom. We thank You now for Your wisdom to make righteous decisions and discernments on our behalf and the behalf of others. Thank You, Father for sending Jesus who represents Your wisdom and power to us. Because we are in Him and always desire to abide in Him, He has made unto us wisdom, righteousness, sanctification and redemption. We declare that the members of New Light are covered by the blood of Jesus and we have the mind of Christ, therefore, we are wiser than all our peers. Father, we lift up to You the men and women in our government who are in positions of authority. We intercede for the President, the representatives, senators, judges, policemen, policewomen, as well as the governors and mayors of our land. We pray that the Spirit of the Lord rests upon them. Father, we pray that wisdom, knowledge, discernment and understanding keep them away from evil and evil men. We pray today that our government officials are surrounded by people who have their best interest at heart and that You give them the wisdom to know the difference. We pray Lord that the upright shall dwell in our government and the wicked and treacherous people in our government be rooted out and cut off. Father, we pray that You cause our government officials to be men and women of integrity whose hearts and ears are open to godly counsel. We pray that skillful and godly wisdom has entered into their hearts and knowledge is pleasant to them. We pray that Your protective hand has shielded our President and other officials by Your divine protection. We pray that our government officials make righteous and wise decisions concerning our nation so that we may live quiet and peaceable lives. In Jesus name....
