“Y.O.U. (Young Overcomers United) Summit USA

Bishop I.V. Hilliard, State Representative Sylvester Turner, Congresswoman Shelia Jackson Lee and others have teamed up to host this dynamic and timely Y.O.U. Summit to address the imperative need of educating and mentoring young males on how to positively respond to the perceived injustices of America. New Light Church is a 20,000 member African American church with over 1,000 partner churches throughout America.

As a reputable media outlet you are invited to attend and cover the Y.O.U Summit on August 9-10, 2013. In light of what we believe to be a miscarriage of justice that was recently witnessed in our judicial system, this summit is designed to bring together the community resources, spiritual resources, law enforcement and legal resources to provide direction for young males ages 13-25. This meeting will provide a forum to discuss racial injustice, social prejudice and how to effectively deal with them.

Experts from diverse fields (i.e., law enforcement, judicial, political, clergy, etc.) have enthusiastically agreed to participate. This forum will dissect the black male experience and provide wisdom for the journey while equipping young males with appropriate behavior responses to life’s most challenging moments. Although the summit targets young males of all ethnicities between the ages of 13-25, it is also open to young females.

The Y.O.U. Summit will be held at New Light Church (North Campus) located at 1535 Greensmark Drive, Houston, TX 77067 on Friday, August 9th @ 7:30PM and Saturday, August 10th @ 10:00AM. We would appreciate your help informing the public at large about this epic meeting and we look forward to seeing you. Please call Michelle Garrett at 281-765-1938 to let us know you plan to attend.
